

The R & A Women in Golf Charter A commitment to a more inclusive culture within golf.

We, Leicestershire & Rutland County Ladies Golf Association (LRLCGA) call on everyone involved in golf to play their part in developing a culture that values women's involvement in every aspect of the sport, from participating to pursuing a career.

Our mission is to increase the number of women and girls playing, volunteering & working in golf.

To achieve this goal and to enable women to flourish throughout golf, we recognise the need for a fundamental shift in culture. There is a clear ethical need for change and the potential economic benefits of growing the sport through more women and girls playing are substantial. The R&A commits to playing a leading role in this process and to working with affiliates, partners and the wider golf industry towards achieving this goal and in signing this Charter, we at LRLCGA commit to making tangible efforts to develop a welcoming and inspiring environment for women. We will do more to attract women into golf, to remain, and to have rewarding golfing experiences

The Charter:

- Is a statement of intent from LRLGA, supported by the golf industry, to unite and to focus gender balance at all levels
- Recognises the need for change that creates an inclusive environment within golf and our golf clubs
- Commits LRLCGA to supporting measures to increase the number of women, girls and families playing golf
- Calls for positive action to encourage women to pursue careers in all areas of the sport

Signatories commit to activate this Charter by:

- Developing and implementing a strategy for enhancing gender balance at every level
- Strongly advocating more women and girls playing and working in golf.
- Working with key stakeholders to develop and embed a more inclusive culture.
