

➤ Promoting the Charter and our goal of encouraging more women and girls to play golf and work in golf.

How we at LRLCGA plan to achieve this:

1. Support clubs within the County to become signatories to the Women in Golf Charter and to have designated Champions within each Club who can assist and promote a more inclusive culture
2. Promote a County Pathway which supports Junior Golf and ultimately enables junior to progress and continue playing golf as adult golfers
3. Continuing to develop our knowledge and understanding of the female golfer population across the County to engage and communicate with all. Ultimately this will assist us to increase involvement and participation with the County at all levels.
4. Ensure we have a robust Equality, Diversity and Inclusion policy as outlined by England Golf
5. To maintain being a SafeGolf accredited County and ensure policies and procedures remain up to date
6. Appoint a designated Charter Champion within the County who can assist with the promotion and reporting of the charter
